Immunization Program

TO: Health Care Providers

FROM: Mick Bolduc 

Vaccine Coordinator-Connecticut Vaccine Program (CVP)

DATE: October 29, 2018

SUBJECT: Re-Enrollment in the Connecticut Vaccine Program

The primary purpose of this communication is to notify all providers of the need to complete a provider profile and provider agreement form for re-enrollment in the Connecticut Vaccine Program (CVP) for calendar year 2019.

Re-enrollment Process

In order to participate in the CVP **each provider** is federally mandated to complete and submit a provider profile and provider agreement form on a yearly basis. The re-enrollment process allows us to verify and update provider shipping information as well as to estimate the amount of vaccine that will need to be supplied for the upcoming calendar year. As vaccine accountability continues to become more of a focus on the federal level, it is imperative that the patient enrollment numbers your office submits on the provider profile are as accurate as possible. These numbers determine the amount of VFC and CHIP (HUSKY B) funding the CVP receives on an annual basis. As you know, Connecticut has now moved to a new Immunization Information System (IIS) called CT WiZ. In future years the functionality of CT WiZ will allow re-enrollment to be performed completely on-line. More information on CT WiZ and its various functions as well as trainings for providers will be forthcoming.

The completed provider profile and provider agreement forms must be submitted to the Connecticut Vaccine Program by December 14, 2018. Meeting this deadline will allow all providers to continue receiving state supplied vaccine on an uninterrupted basis. Please be sure to include your Provider Identification Number (PIN) on both the agreement and profile forms. Each site must complete these forms electronically by typing in the fillable boxes. Please save and rename the documents to a folder on your computer. When emailing the completed documents include your pin in the subject line of your email. The completed forms should be e-mailed to DPH.IMMUNIZATIONS@ct.gov. As always, if you have any questions, please feel free to contact the CVP at (860) 509-7929.

Phone: (860) 509-7929 • Fax: (860) 706-5429
410 Capitol Avenue, P.O. Box 340308
Hartford, Connecticut 06134-0308

Affirmative Action/Equal Opportunity Employer

Connecticut Vaccine Program 2019 Provider Profile

If re-enrolling, please save and rename this document to include your pin #. Email completed forms to DPH.IMMUNIZATIONS@ct.gov Include your pin number in the subject line of your email.

All public and private health care providers who receive vaccine from the Connecticut Vaccine Program (CVP) must complete this form. This document provides shipping information and helps to determine the amount of vaccine to be supplied. The form is also used to compare estimated vaccine needs with actual vaccine supply. The Connecticut Vaccine Program will keep this record on file with the SIGNED "Provider Agreement". The Provider Profile form must be updated annually or if: (1) the number of children change, or (2) the address of the facility changes. Complete one Provider Profile for each office/site/satellite. [Click here](#) to download additional forms.

--	---	--

Patient Enrollment and Insurance Status All practices must provide total patient enrollment numbers by age group and insurance status in order to receive vaccine from the CVP. New providers can give an estimate. Do not count a patient in more than one category and DO NOT use percentages. **Rows numbered 1 through 6 must equal the total patient enrollment by age group in row 7.**

	Birth to 1 yr.	1 - 6 yrs.	7 - 18 yrs.	Total
1. Number of Privately Insured Patients				
2. Number of Medicaid Enrolled Patients (HUSKY A)				
3. Number of Patients Without Insurance				
4. Number of Patients who are American Indian or Alaskan Native				
5. Number of S-CHIP Enrolled Patients (HUSKY B)				
6. Number of Underinsured Patients				
7. Total Number of All Patients in your practice who will be administered state supplied vaccine (must equal the sum total for rows 1-6 above)				

Data Source What data source was used to determine the total number of patients and insurance status provided above:

☐ Immunization Information System
 ☐ Billing System
 ☐ Electronic Health/Medical Records
 ☐ Other _____

Please remember to sign the accompanying "Provider Agreement" and complete the "Insert for Storage Units"

Connecticut Vaccine Program

Example Page

Insert For Storage Units,

Below is an example of how the insert for Storage Units forms is to be completed and definition of terms.

Facility Name 1234 Pediatrics		PIN: 1234
Refrigerator:		
Manufacturer: American Biotech Supply	Make: UCFS Series	Model: PH-ABT-HC-UCFS-0204
Serial Number/ID: SN123456789		Storage Grade: Pharmaceutical
Thermometer In Refrigerator:		
Manufacturer: Berlinger	Make: Fridge-Tag	Model: Fridge-Tag 2L
Serial Number/ID: SN123456789		Thermometer Type: Data Logger
Freezer:		
Manufacturer: Summit	Make: SCFU Series	Model: SCFU386
Serial Number/ID: SN123456789		Storage Grade: Commercial
Thermometer In Freezer:		
Manufacturer: Fisher Scientific	Make: Traceable	Model: Traceable Excursion-Trac
Serial Number/ID: SN123456789		Thermometer Type: Data Logger

Manufacturer: Brand name

Make: The trade name or series of a particular product. Please refer to owner's manual

Model: May refer to a range or make of products. Please refer to owner's manual

Serial Number: A number indicating place in a series and used as a means of identification. Usually located on product

Storage Grade:

- **Pharmaceutical:** Also called "purpose-built," these units are designed by the manufacturer specifically to store vaccines or other biological materials. *Examples of manufacturers: ABS, AEGIS, AccuCold*
- **Commercial:** Although usually intended to store food and beverages, commercial units are often larger and more powerful than the household units found in most homes. Though these units are intended to meet the higher demands of larger facilities, these units are not specifically built for the storage of biological materials. *Examples of manufacturers: Summit, TurboAir, Avanti*
- **Standard: Household (non-commercial/domestic):** These units are usually smaller than commercial units and are intended for use in small offices and in homes and typically for food storage. Just like commercial units, they are not designed specifically for the storage of biological materials. Such units are usually available in common home supply stores. *Examples of manufacturer: Frigidaire, Kenmore, Whirlpool, GE, Hotpoint*

Thermometer Type:

- **Data Logger or Continuous Temperature Monitoring** device is equipped with: A temperature probe; an active temperature display that can be easily read from the outside of the unit; the capacity for continuous monitoring and recording capabilities where the data can be routinely downloaded. *Examples of manufacturers: Fisher Traceable, Log Tag, Berlinger, Temperature Guard*
- **Built-in:** Integrated within storage unit, not free standing, must meet data logger definition
- **Manual:** Digital thermometer without downloadable logging feature. Please note as of January 2018 CDC requires all storage units to have data logger thermometers.

PROVIDER AGREEMENT

To receive publicly funded vaccines at no cost, I agree to the following conditions, on behalf of myself and all the practitioners, nurses, and others associated with the health care facility of which I am the medical director or equivalent:

1.	I will annually submit a provider profile representing populations served by my practice/facility. I will submit more frequently if 1) the number of children served changes or 2) the status of the facility changes during the calendar year.
2.	<p>I will screen patients and document eligibility status at each immunization encounter for VFC eligibility (i.e., federally or state vaccine-eligible) and administer VFC-purchased vaccine by such category only to children who are 18 years of age or younger who meet one or more of the following categories:</p> <p>A. Federal Vaccine-eligible Children (VFC eligible)</p> <ol style="list-style-type: none"> Are an American Indian or Alaska Native; Are enrolled in Medicaid; Have no health insurance; Are underinsured: A child who has health insurance, but the coverage does not include vaccines; a child whose insurance covers only selected vaccines (VFC-eligible for non-covered vaccines only). Underinsured children are eligible to receive VFC vaccine only through a Federally Qualified Health Center (FQHC), or Rural Health Clinic (RHC) or under an approved deputization agreement. <p>B. State Vaccine-eligible Children</p> <ol style="list-style-type: none"> In addition, to the extent that my state designates additional categories of children as "state vaccine-eligible", I will screen for such eligibility as listed in the addendum to this agreement and will administer state-funded doses to such children. <p>Children aged 0 through 18 years that do not meet one or more of the eligibility federal vaccine categories (VFC eligible), are not eligible to receive VFC-purchased vaccine.</p>
3.	<p>For the vaccines identified and agreed upon in the provider profile, I will comply with immunization schedules, dosages, and contraindications that are established by the Advisory Committee on Immunization Practices (ACIP) and included in the VFC program unless:</p> <ol style="list-style-type: none"> In the provider's medical judgment, and in accordance with accepted medical practice, the provider deems such compliance to be medically inappropriate for the child; The particular requirements contradict state law, including laws pertaining to religious and other exemptions.
4.	I will maintain all records related to the vaccine program for a minimum of three years and upon request make these records available for review. Vaccine records include, but are not limited to, vaccine screening and eligibility documentation, billing records, medical records that verify receipt of vaccine, vaccine ordering records, and vaccine purchase and accountability records.
5.	I will immunize eligible children with publicly supplied vaccine at no charge to the patient for the vaccine.
6.	<p><u>VFC Vaccine Eligible Children</u> I will not charge a vaccine administration fee to non-Medicaid federal vaccine eligible (uninsured or under-insured) children that exceeds the administration fee cap of \$21.00 per vaccine dose. For Medicaid children, I will accept the reimbursement for immunization administration set by the state Medicaid agency or the contracted Medicaid health plans.</p> <p><u>State Vaccine Eligible Children</u> For private insurance patients I will accept the reimbursement for immunization administration up to the maximum allowed per the insurance company's policy.</p>

**Connecticut Vaccine Program (CVP)
2019 Provider Agreement**
E-mail completed forms to: DPH.IMMUNIZATIONS@ct.gov

7.	I will not deny administration of a publicly purchased vaccine to an established patient because the child's parent/guardian/individual of record is unable to pay the administration fee.
8.	I will distribute the current Vaccine Information Statements (VIS) each time a vaccine is administered and maintain records in accordance with the National Childhood Vaccine Injury Act (NCVIA), which includes reporting clinically significant adverse events to the Vaccine Adverse Event Reporting System (VAERS).
9.	I will comply with the requirements for vaccine management including: <ul style="list-style-type: none"> a) Ordering vaccine and maintaining appropriate vaccine inventories; b) Not storing vaccine in dormitory-style units at any time; c) Storing vaccine under proper storage conditions at all times. Refrigerator and freezer vaccine storage units and temperature monitoring equipment and practices must meet CVP storage and handling requirements including use of a data logger style thermometer for all CVP supplied vaccine; d) Returning all spoiled/expired public vaccines to CDC's centralized vaccine distributor within two months of spoilage/expiration
10.	<p>I agree to operate within the VFC program in a manner intended to avoid fraud and abuse. Consistent with "fraud" and "abuse" as defined in the Medicaid regulations at 42 CFR § 455.2, and for the purposes of the VFC Program:</p> <p>Fraud: is an intentional deception or misrepresentation made by a person with the knowledge that the deception could result in some unauthorized benefit to himself or some other person. It includes any act that constitutes fraud under applicable federal or state law.</p> <p>Abuse: provider practices that are inconsistent with sound fiscal, business, or medical practices and result in an unnecessary cost to the Medicaid program, (and/or including actions that result in an unnecessary cost to the immunization program, a health insurance company, or a patient); or in reimbursement for services that are not medically necessary or that fail to meet professionally recognized standards for health care. It also includes recipient practices that result in unnecessary cost to the Medicaid program.</p>
11.	I will participate in VFC program compliance site visits including unannounced visits, and other educational opportunities associated with VFC program requirements.
12.	<p>Should my staff, representative, or I access VTrckS, I agree to:</p> <ul style="list-style-type: none"> a) Be bound by CDC's terms of use for interacting with the online ordering system. I further agree to be bound by any applicable federal laws, regulations or guidelines related to accessing a CDC system and ordering publically funded vaccines, and b) In advance of any VTrckS access by my staff, representative or myself, I will identify each member of my staff or representative who is authorized to order vaccines on my behalf. In addition, I will maintain a record of each staff member who is authorized to order vaccines on my behalf. If changes occur, I will inform the Connecticut Vaccine Program within 24 hours of any change in status of current staff members or representatives who are no longer authorized to order vaccines, or the addition of any new staff authorized to order on my behalf. I certify that my identification is represented correctly on this provider enrollment form.
13.	<p>For pharmacies, urgent care, or school located vaccine clinics, I agree to:</p> <ul style="list-style-type: none"> a) Vaccinate all "walk-in" VFC-eligible children and b) Not refuse to vaccinate VFC-eligible children based on a parent's inability to pay the administration fee. <p>Note: "Walk-in" refers to any VFC eligible child who presents requesting a vaccine; not just established patients. "Walk-in" does not mean that a provider must serve VFC patients without an appointment. If a provider's office policy is for all patients to make an appointment to receive immunizations then the policy would apply to VFC patients as well.</p>
14.	I agree to replace vaccine purchased with state and federal funds that are deemed non-viable due to provider negligence on a <u>dose-for-dose</u> basis.
15.	I understand this facility or the Connecticut Vaccine Program may terminate this agreement at any time. If I choose to terminate this agreement, I will properly return any unused state and federal vaccine as directed by the Connecticut Vaccine Program.
