

Opioid Settlement Fund

Update for the ADPC

February 18, 2025

Budget Update

Connecticut is expected to receive over \$600 million over 18 years (approx. \$33 million per year) as part of the nationwide opioid litigation settlement agreements with various pharmaceutical distributors and opioid manufacturers

Proceeds will be spent on substance use disorder abatement infrastructure, programs, services, supports, and resources for prevention, treatment, recovery, and harm reduction with public involvement, transparency, and accountability

As of 1/14/25, the State has received a total of \$158,299,575, with funding recommendations having passed for \$91,279,158 leaving a balance in the fund of \$67,020,417.

The estimated annual budget is \$33,333,333 and the estimated approved recommendations amount is \$28,738,203
