National Influenza Vaccination Week (NIVW)

December 2-6, 2024

Local Immunization Action Plan (IAP) Activities

NORWALK HEALTH DEPARTMENT/DANBURY AREA

Contacts:

Pam Bates, pbates@norwalkct.gov (203) 216-0575

Sarah Foristel, sforistel@norwalkct.gov (203) 940-5220

- **Flu Resources:** Colorful flyers displaying flu prevention tips, dangers of the flu virus, vaccination information including flu vaccination locations, recommendations, and safety, will be distributed to social service agencies, WIC programs, early learning centers and schools in the Norwalk and Danbury areas. Flyers will be available in English, Spanish and Portuguese.
- **Displays:** Respiratory illness prevention tips including Flu, COVID-19 and RSV vaccination information will be posted and available for the taking at the following locations:
 - Norwalk Health Department lobby, 137 East Avenue, Norwalk
 - Danbury Health and Human Services lobby, 155 Deer Hill Avenue, Danbury
 - Norwalk Hospital maternity unit, 34 Maple Street, Norwalk
 - Danbury Hospital maternity unit, 24 Hospital Avenue, Danbury
- **Social media and Websites:** Check out Norwalk Health Department posts for flu prevention tips and flu clinic locations in the Norwalk area:
 - [Facebook](#)
 - [Twitter](#)
 - [Instagram](#)
 - [Norwalk Health Department's website](#)
- **Flu and You Program:** Norwalk Health Department staff will visit social service programs, early learning centers and elementary schools in the Norwalk and Danbury areas to teach children healthy habits and flu prevention skills. A colorfully illustrated book entitled, The Flu and You, written by Geri Rodda, RN, will be read to the children and then good handwashing skills will be practiced using a Glo-germ® gel and light. The special light helps children see where "germs" are on their hands to help them scrub them away.
